# VISVESVARA RAO VEMPARALA

Aspiring Full Stack Developer

Mails: visvesvararao77@gmail.com | viswv77@gmail.com | Phone No:7569453100
LinkedIn: linkedin.com/in/visvesvararao-vemparala-567b5622b
Portfolio: visvesvararao04.github.io/VisvesvaraRao_Portfolio/

## PROFESSIONAL SUMMARY

Aspiring Complete Stack C,C++,Java, SQL, HTML, CSS, JavaScript, and React are among the skills of this developer. practical experience with CNN and LSTM deep learning projects. enthusiastic about creating applications with clean architecture that are scalable, responsive, and easy to use and have knowledge on linux Worked with android studios and worked with android frame works.

## TECHNICAL SKILLS

**Frontend:** HTML, CSS, JavaScript, React.js
**Programming:** C,C++,Java, OOP, Exception Handling,
**Database:** SQL, Joins, Subqueries, DDL, DML
**Tools:** Git, VS Code, GitHub
**Other:** Problem Solving, Data Structures

## PROJECTS

**Image Caption Generator (Deep Learning Project)**
*Tech:* TensorFlow, ResNet50, LSTM, NumPy, Pandas
• Developed an AI model to produce captions for intricate pictures.
• CNN was used to extract features, and LSTM was used to generate sequences.

## EDUCATION

**B.Tech – Artificial Intelligence & Machine Learning** (2021–2025)
Chalapathi Institute of Engineering & Technology          CGPA: 7.49

**Intermediate (2019–2021)**   Oxford VIT Academy      Percentage : 80%
**SSC (2018–2019)**   Oxford Schools          CGPA: 9.0

## CERTIFICATIONS

• Microsoft Azure Administrator Associate
• Cisco Python Essentials Certification

## WORKSHOPS

• Game Development Workshop   Buildbox (5 Days)

• Ethical Hacking Workshop (Cyber Crime Intelligence)
• Android Application Development Workshop (5 Days)

## SOFT SKILLS

Communication, Leadership, Teamwork, Self Motivation, Responsibility
